Office of Thrift Supervision Fees Bulletin

Summary: Attached is the Office of Thrift Supervision's annual Thrift Bulletin on Filing Fees. This bulletin is generally revisited for appropriateness and revised as needed, at least once each year. It sets forth all fees to be charged by the OTS. The revised bulletin: (i) replaces the Merger, Transfer of Assets and Liabilities, Oakar and Sasser application categories with a new category entitled Combinations and Transfers; (ii) reflects the changes brought about by the recent amendments to regulations governing mergers and transfers of assets and liabilities; (iii) lowers the fees for certain application types including Permission to Organize applications and Holding Company applications; (iv) eliminates the filing fee for processing service corporation applications requesting permission to participate in Community Development Corporations; and (v) clarifies the OTS policy on the waiver of filing fees. The revised bulletin supersedes TB 48-12, dated March 18, 1994, becomes effective 30 days after its publication and shall remain in effect until further notice.

Thrift Bulletin 48-13

On September 29, 1994, the Office of Thrift Supervision amended its regulations governing mergers, transfers of assets and liabilities and other combinations involving savings associations. Among other things, these amendments: (i) reduced the regulatory burden on certain savings associations that propose to convert to a bank charter in a Sasser conversion or to be acquired by a bank in an Oakar transaction; and (ii) established an expedited approval process for certain transfers and combinations filed under 12 C.F.R. Section 563.22(c).

As a result of these changes, the Application Fee Schedule has been expanded to include the creation of four new filings; (i) Notifications of Conversions to National or State Banks - \$200; (ii) Notifications of combinations with Banks (Bank survives)- \$200; (iii) Notices of Branch Sales to Banks - \$2,000; and (iv) Notices of Transfers of Assets or Liabilities - \$2,000.

In addition to creating these new categories, the OTS has made several other modifications to the fees bulletin.

The OTS has established a new application category entitled "Combinations and Transfers" which now contains the applications formerly referred to as Mergers, Sassers, Oakars and Transfers of Assets and Assumption of Liabilities. In the context of this new section, the term "State Bank" means a national bank, commercial bank, industrial bank, or a non OTS-regulated, state-chartered savings bank. If the transaction involves a Holding Company application under 12 C.F.R. Part 574, then only the holding company fee applies.

In establishing this new category, the Agency is attempting to eliminate the confusion that periodically arises over what constitutes a Sasser or Oakar application. It should be emphasized that no fees have been raised for any of these application types.

After reviewing all relevant historical information, the OTS has also decided to eliminate the fees for processing Dividend Notifications and Interim Charters and to reduce the fees for the following applica-

tion types: Deregistration as holding company - from \$1,000 to \$900; Divestiture of Control - from \$1,000 to \$900; Permission to Organize - from \$18,100 to \$14,400; H(e)1,2&3 - from \$18,100 to \$14,400; Form MHC-1 from \$10,000 to \$8,000; Form MHC-2 from \$8,700 to \$6,400; and Mergers, Transfers of Assets and Assumption of Liabilities - from \$5,200 to \$4,000. The new fees more accurately reflect the OTS' actual processing costs.

As part of this bulletin, the OTS is also implementing a new policy with respect to Service Corporation applications to participate in Community Development Corporations (CDCs). After reviewing the historical data on this type of filing, the OTS determined that the fee it charged often exceeded the institution's actual investment in the CDC. Under the new policy, therefore, the OTS will no longer charge a fee for this type of filing. The OTS recognizes the importance and benefits of participating in CDCs and eliminated the fee so as not to discourage participation in this activity.

Finally, as part of TB 48-11, the OTS instituted a new policy on waiving and reducing filing fees. Under this policy, the Director, or his designee, may waive or reduce filing fees for:

Thrift Bulletin

TB 48-13

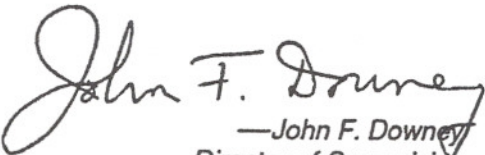

(i) change of control notices or holding company applications involving non-material increases in share ownership by acquirers that have previously received approval or non-objection under 12 C.F.R. Part 574 and other acquisitions whose acquisitions would be aggregated with approved parties for a presumption of concealed assets, or (ii) situations where, due to the size of

financial condition of the applicant, a fee is not economically feasible or justifiable.

Although not specifically stated in TB 48-11, the OTS intended the waiver policy to remain in effect until further notice. Because the policy was not specifically restated in TB 48-12, confusion arose as to whether it was still applicable. The

OTS, as part of this bulletin, is now giving notice that its policy on waiving filing fees, as stated in TB 48-11, will remain in effect until further notice. Furthermore, a footnote that reflects this policy has been added to the attached Application Fee Schedule.
